IDENTITY CHOICE

Choose one. CTW will confirm the practical limits of the selected option before recording.

- ☐ Full identity - CTW may use my name, image, voice, biography, business or role, and town.
- ☐ Limited identity - use only the public name and details written above. Additional identifying details require my approval.
- ☐ Protected identity - CTW and I must agree in writing on masking, pseudonym, location limits, and other protections before recording. Video, voice, surroundings, or story details may still reveal identity.

PERMISSION GRANTED

- ☐ I authorize CTW and Glibra to edit, reproduce, publish, distribute, stream, archive, caption, transcribe, translate, and promote the recording in whole or in excerpts.

EDITORIAL AND PARTICIPATION TERMS

Editing and context

CTW may edit for length, clarity, pacing, safety, accuracy, and format while aiming to preserve the meaning of my remarks. CTW retains final editorial control.

Corrections

I may identify factual errors during a review opportunity when CTW offers one. A review does not give me approval over the final episode or the right to remove fair criticism or disagreement.

Voluntary participation

I may pause, decline a question, or end the interview. I should identify any statement I want treated as off the record before continuing the conversation.

Withdrawal

I may withdraw consent before recording. After recording, I should send any withdrawal request promptly. Once an episode, clip, transcript, or third-party copy has been published or distributed, complete removal cannot be guaranteed.

Compensation and ownership

Unless a separate written agreement says otherwise, I will not receive an appearance fee, royalty, or ownership interest. Glibra owns the CTW recording and edited production. I retain ownership of materials I created and supplied, subject to the permission I grant here.

My materials and statements

I confirm that materials I provide are mine or may lawfully be used. My remarks reflect my own knowledge and views. I will avoid sharing confidential information that I am not authorized to disclose.

No employment promise

CTW does not promise anonymity that the recording cannot support and does not represent that an employer, property owner, or other third party has approved my participation.

ACKNOWLEDGMENT AND SIGNATURE

☐ I am at least 18 years old, I have read this form, and I had an opportunity to ask questions before signing.
